

PRACTICE 3. MATERIAL IN THE LABORATORY

Laboratory Equipment (Spanish)

1. Fill in the following table, writing down the name of the apparatus in English, in Spanish and finally indicating if you found it in the set your teacher showed you.

[illegible]

2. Now you are going to characterise in more detail some of the main apparatus used in the Laboratory.

NAME	VOLUMETRIC FLASK	BEAKER	GRADUATED PIPET
DRAWING			
CAPACITY (mL)			
NAME	GRADUATED CYLINDER	BURET	ERLENMEYER FLASK
DRAWING			
CAPACITY (mL)
